Afam Joe-Manuel Uzowulu

Software Developer   www.afamjoesite.com

As a skilled communicator and effective troubleshooter, keen to demonstrate abilities and worth at a burgeoning enterprise. Driven to progress and enhance competencies by means of tailored guidance and demanding undertakings. While relishing working in tandem with others, will also be capable of managing independent projects. So enthused by the prospect of becoming a part of a company that is focused on producing top-quality products.
